NOTE

As it is necessary to begin printing WHO'S WHO in August, in many cases occurrences of a later date are not recorded; deaths reported up to the middle of October have been included, however, in the Obituary.

In view of misunderstandings that sometimes arise it should be pointed out that the details given of the children of a marriage should be the number of sons and daughters *now living*; also, under Clubs, it is the practice to print the names of London clubs unaccompanied by the word London, although in the case of clubs elsewhere the names of the towns where they are situated should be given.

A proof of each entry is posted to its subject every year for personal revision, though it is not possible to send such proofs unless an address is given.

It cannot be too emphatically stated that inclusion in WHO'S WHO has never at any time been a matter for payment or of obligation to purchase the volume.
